Well, now we are sophomores. I hope most of all in our sophomore year, you will remember our dear little homes room & our wonderful teacher. Also remembered all the different suits he would remember all the times we got yelled at for talking in chapel, but we still had loads of fun, huh?

Remember also the "one certain boy" we had affection for. We had a little bit of trouble with him & almost lost our friendship, but now we are still the best of friends & I hope we always will be. Even though we do have our arguments & everything, always be my friend.

I hope sometime we can start liking a different boy instead of always liking the same one.

I remember the hay fever shots you got & all the times I hit you on the arm & made it sore, you got the name Snuffy & mine was Poppy & all the rest of the gang had names too from the same show.

I can truthfully say this year has been the best year in school so far. Of course I only have had two, but I've had a lot more fun this year in general with everyone.

Always a pal  
Love forever & always

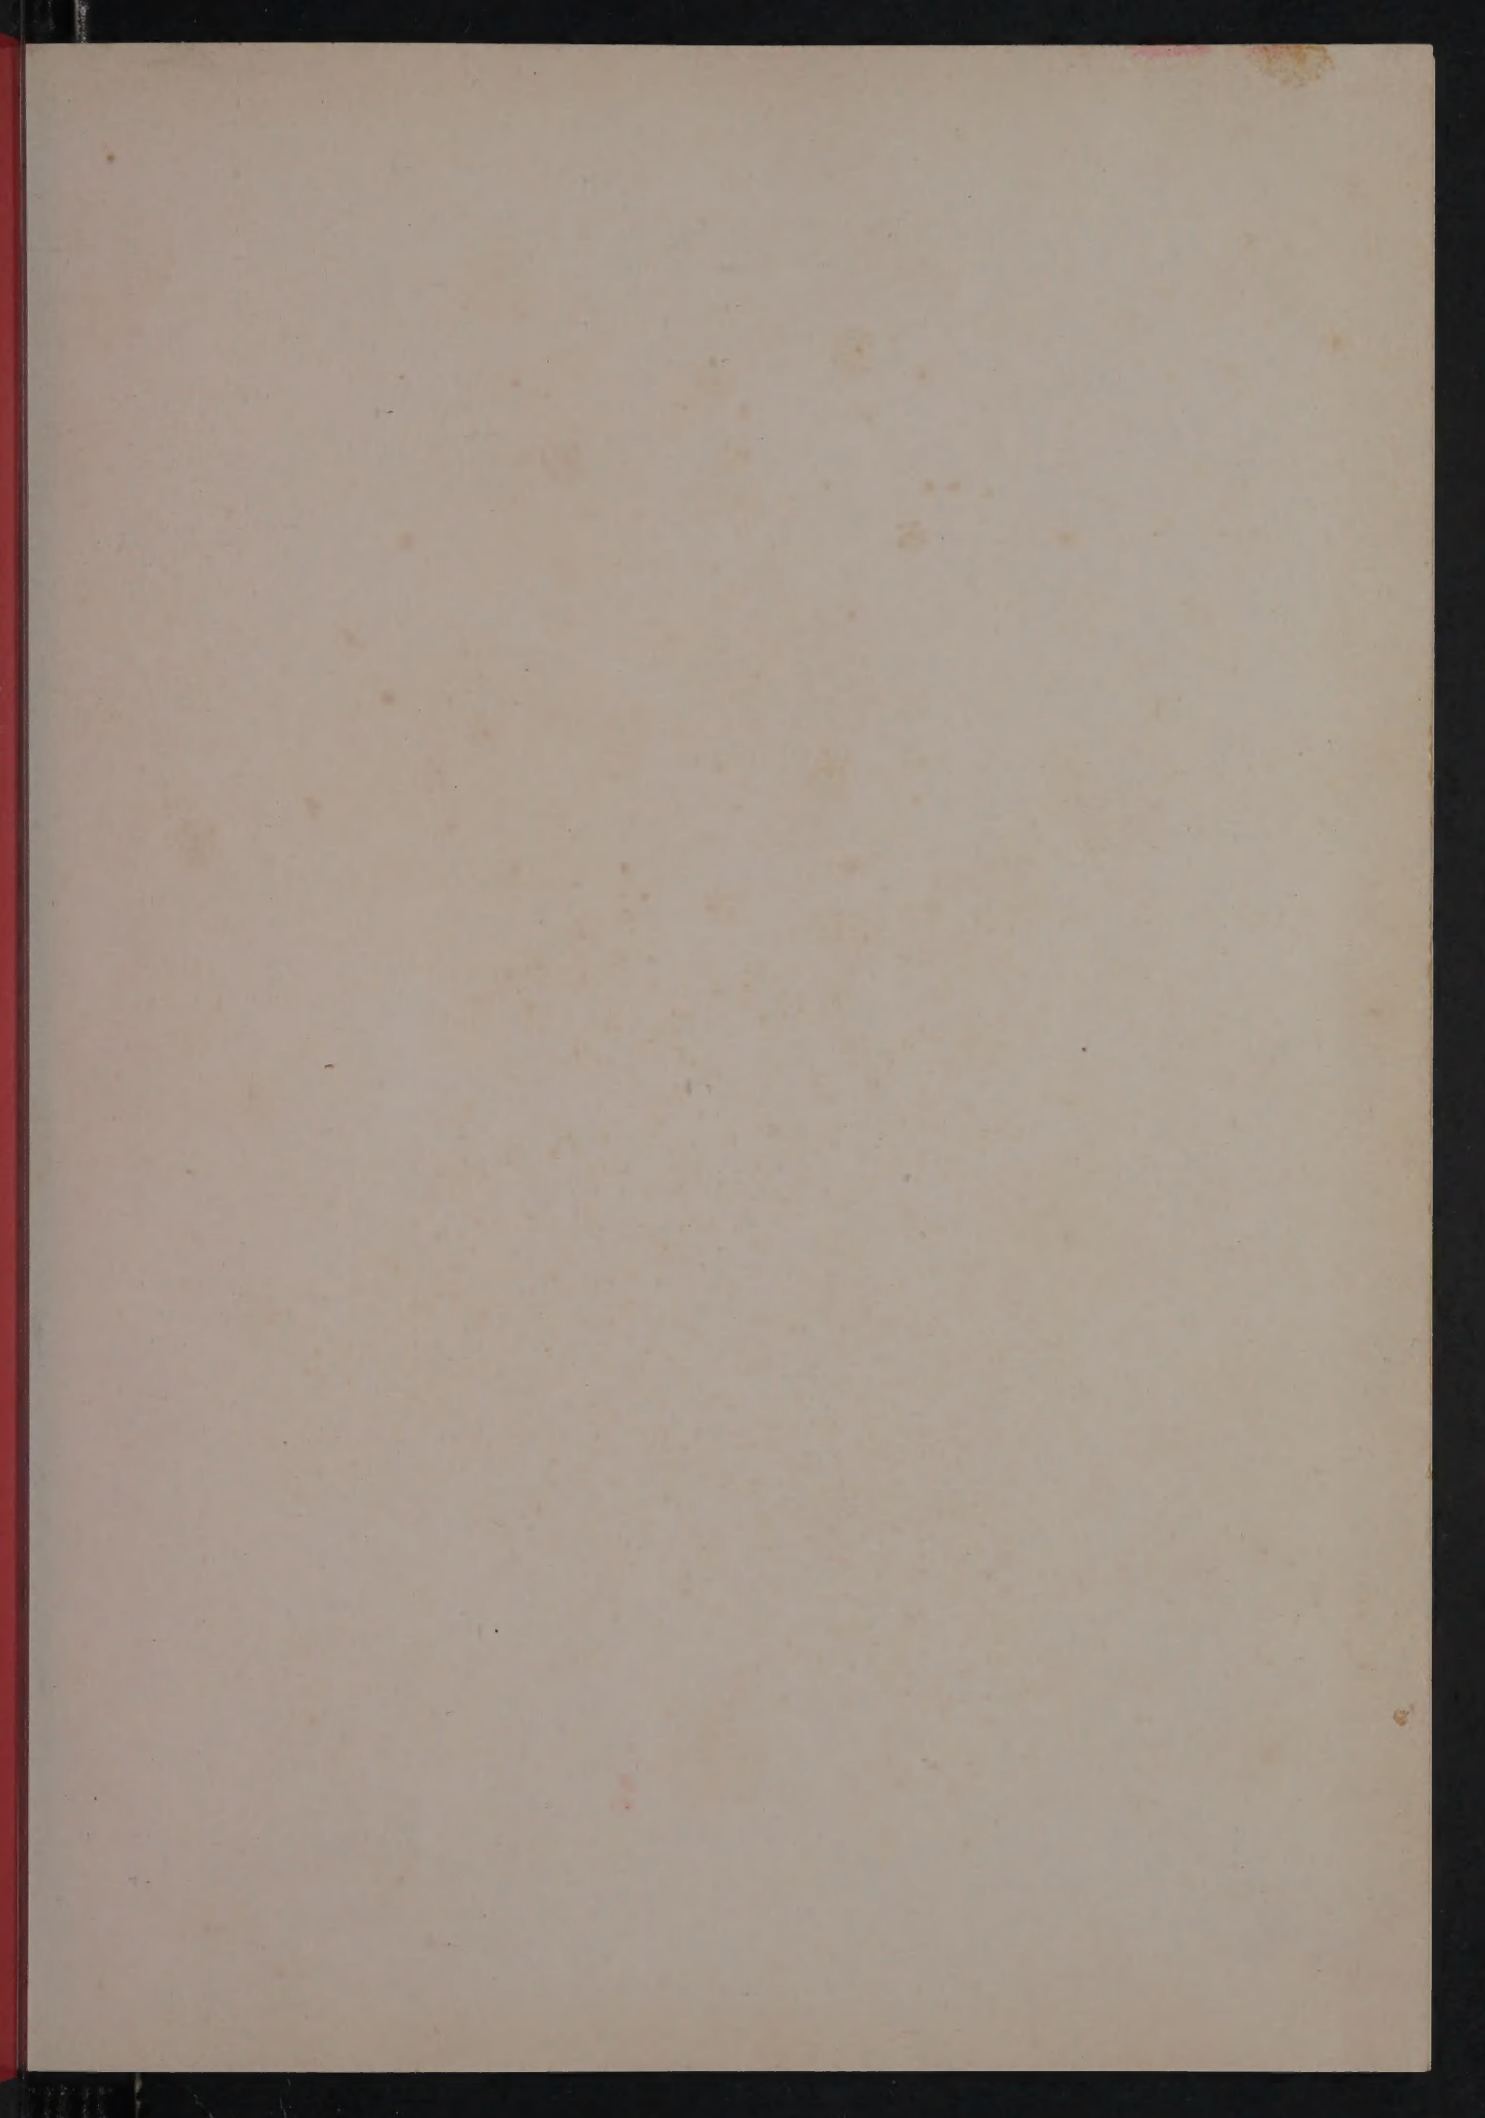

Let's remember the fun we had at the Rainbow formal together, & never forget "it" & "whom".

## Dedication

Here is an actual account of our ALAURUM reporter's interview with this year's dedicatee, Mr. Melvin R. Miller.

*Reporter:* Mr. Miller, since you have been chosen this year, I would like to ask you a few questions. First of all, what high school were you graduated from?

*Mr. Miller:* New Brighton High School.

*Reporter:* After graduation what did you do?

*Mr. Miller:* I attended Westminster College where I obtained a Bachelor of Arts degree and the University of Pittsburgh where I obtained my Master of Education.

*Reporter:* While obtaining your education, did you participate in any sports?

*Mr. Miller:* Yes, both in high school and college I took part in football and basketball.

*Reporter:* Where and when did you first begin teaching and what have you taught?

*Mr. Miller:* My first teaching position was here in New Brighton High School where I began twelve years ago. At various times throughout my career I have given instruction in English I, English II, Modern History, World History, Problems of Democracy, Mythology, Consumer Science, and Salesmanship. At present, I am teaching Junior American History and Economics.

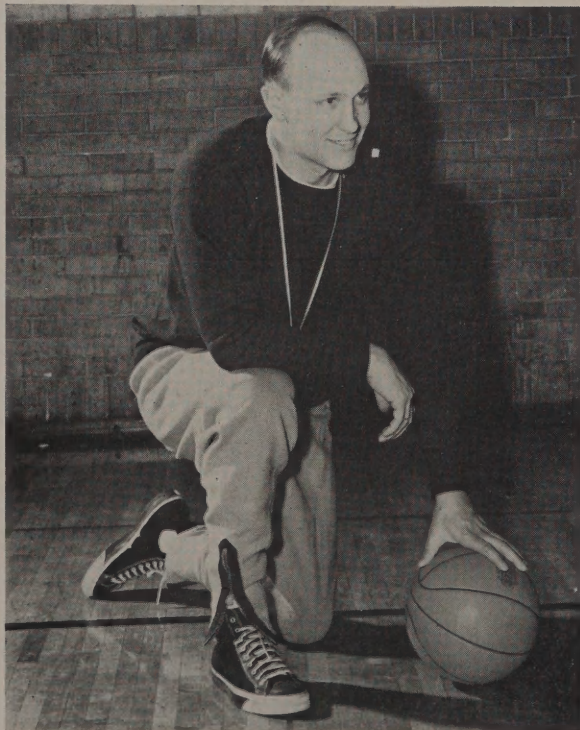

*Reporter:* As everyone knows, you are head basketball coach in New Brighton. Would you mind telling us your teams' records and to what you attribute your success?

*Mr. Miller:* I have been head coach for only six years. During that time the teams I have coached have succeeded in obtaining two Section Championships. These were in 1947 and 1951. They have occupied second place twice and third place twice. The secret of anyone's success is hard work.

*Reporter:* Are you satisfied with your choice of profession?

*Mr. Miller:* Naturally there are drawbacks and discouragements in every profession. However, the satisfactions one gets from teaching and being in constant touch with young people far outweigh any difficulties one encounters. It is a real joy to work with them. They are, as a group, at the happiest and most carefree age in our society. They reflect the constant changes that are occurring in our society. Being with students often makes me feel as if I am a student instead of a teacher performing his life's work. Therefore I am exceedingly happy in my chosen profession.

*Reporter:* Thank you for your time given for our interview. Congratulations are also in order for you as the recipient of the honor bestowed upon you by the ALAURUM Staff of 1952.

## Senior Class History

The Class of 1952 has passed through these halls for the last time, but will never forget the lively times and the experiences which have been encountered in four years of high school. It reminds us of a four-ring circus in which each event surpassed the previous one with excitement.

In Ring Number One we were mere greenies up on the shelf and were more than once ridiculed by the upper classmen as we tried to adjust ourselves to our new environment. Performing our act as freshmen, we sponsored a skating party and a traditional Friday night dance. Certainly in our first year of achievements, 1949, we cannot forget our first literary program. It was in this year that the programs were terminated.

In Ring Number Two we were lifted from the shelf and brought down to earth with the rest of the upper classmen. The officers elected this year were capable of their tasks to lead our class. We were given the privileges of joining all organizations and having our own evening of plays.

In Ring Number Three our class took on a new importance. It was in this year that our current Alma Mater was written. Many of our band members were among the first to play the strains of the new song as a tribute to our school. As juniors we were quite able to stand alone and showed our ability by presenting an hilarious comedy under the direction of Mrs. Johnson and promoting the Junior-Senior Prom under the guidance of Mrs. Geary. In our junior year we also won the W. P. I. A. L. Co-Championship in football.

In Ring Number Four those who weathered the trials of the three previous performances were seniors of N. B. H. S. This year we presented a Class Play under the direction of Miss Lytle, published the *Alaurum*, and our members were leaders of clubs and organizations as well as the *Crimson and Gold*. Our leadership in sports was heralded by all.

As graduates we are on our own to apply the knowledge we have learned to the art of living. Though we may be away, we will never forget our Alma Mater.

## Class Prophecy

Double, double, toil and trouble:  
Life is but an empty bubble.  
From the past we've all come from  
To the ages yet to come,  
Life is but a fleeting dream;  
Things are never what they seem.  
Double, double, toil and trouble:  
Fire burn and cauldron bubble.  
As we round this cauldron go,  
Into it our wishes throw;  
Good health to guide them on their way,  
Success and good fortune for many a day.  
Next comes some joy to mix with fun  
And lasting peace for everyone.  
Stir and stir the mixture well—  
What will come from it we'll tell.  
Stop, you witches, what you do,  
Comes forth the Class of '52.  
So down the line, one by one  
We'll prophecy till all is done.

Double, double, toil and trouble:  
The world of sports is our first bubble.  
JOHN FRANCONA is achieving great fame,  
As he plays for the Yankees in each game.  
And also in baseball, where there they will twirl  
Are DON SNOWBERGER and PAUL TOTH who'll give it a whirl.  
FRANK CHUFE, HUBIE MCCREARY coaching a football team  
With DICK BEEGLE helping out with much esteem.  
DICK WATT is hunting and fishing all day  
And what he gets he'll have joy to display.  
JIM ALLISON from college a degree he has won  
And there he played all sports with great fun.

Double, double, toil and trouble:  
The world of science is our next bubble.  
We see RAY CASARICO drawing up plans  
For a job where he'll have much work on his hands.  
DON MCWILLIAMS and ELMER PRESTON, who are now in oil,  
A corporation they head, will go to foreign soil.  
Why to foreign soil you are all to ask?  
Because JACK GAIDO's research has paid off at last.  
Making arrangements to travel by land  
Are GEORGE BOOK and his secretary, BETTY HILDEBRAND.  
JOE DWYER, KEN MAJORS, railroaders they are,  
Will help us to narrow the miles by far.  
By air will be the next big leg of our trip,  
And JACK STEPPE is there to tune up our airship.  
JACKIE ZILK and MITTIE RIDDLE are hostesses for T. W. A.  
And we'll be seeing them as we go on our way.  
RAY COLWELL and DICK ADLOF have been drawing up plans  
Especially for the men who'll be working with their hands.  
First there'll be some oil derricks to make  
By structural engineers, DALE SUTHERLAND and BILL DRAKE.

And to help them with their work, which will last many hours,  
Is contractor BILL LOWE and carpenter DONN POWERS.  
And then there'll be some machines that need repair  
By WAYNE MITTNER, RON ANDERSON who'll take great care.  
TOM REINDL, TOM GORGAS, JOHN MILLER, ROBERT TIPTON are there on hand  
To help with the engineering on this land.

Double, double, toil and trouble:  
The world of service is this uneasy bubble.  
FREDDIE LEAF can be seen with gun in hand,  
A soldier of the Army of our great land.  
JACK CAMERON can be seen sailing through air  
As his duty he performs with nary a scare.  
From the sea to the land, JERRY SCHWARTZ is bound  
For in the U. S. Navy he's sure to be found.  
Also in the Navy, there we'll find  
BOB COLWELL, BILL WOLFE doing the work they don't mind.  
The Women's Air Force who they'll be working with  
Claims two of our girls, FRANCIS JANECTIC and DELORIS SMITH.

Double, double, toil and trouble:  
The world of medicine is this clean bubble.  
To a hospital now we come,  
Let's see by whom their work is done.  
The office desk was quite in the corner,  
There sat our head nurse, Miss ANNABELLE HORNER.  
Down the hall came a nurse, ALICE MAE ZAHN,  
And it wasn't too long before she was gone.  
ALICE LUKE and SHIRLEY MINNITTE passed by our way,  
For they had a department in which each one could stay.  
ETHEL GALLAGHER works in a hospital too,  
She's always there to help me and you.  
VERONICA ZAGORSKI is employed as a nurse.  
We are sure in this field she'll be a first.  
Now to the operating room shall we go,  
There we find SUSAN HAMILTON whom all of you know.  
KATHRYN SAMEK can be found here too,  
We find that she has much work to do.  
BOB REED, a doctor has become,  
We're always glad when his work is done.  
He is assisted by BADGE PAGANI,  
And he is one who is very handy.  
MARGIE HIGBY heads the X-ray divisions,  
She has made numerous important decisions.  
She is assisted by PAULINE BEEGLE,  
Who made sure that all things were legal.  
JOANN DOUGLASS bossed the children's division,  
She performed this duty with extreme precision.  
BONNIE FOX is found in the surgical ward,  
She sees that all are soon quite restored.  
PAT KRUPA is employed in the hospital kitchen,  
She performs her duties as a good dietitian.  
Much porcelain is used in each door and panel,  
This is provided by SUMNER McDANEL.  
Someone is needed to sew clothes for the sick,  
BARBARA STONER does this and they say it's quite slick.

EDWARD RAGULA is the landscape gardener,  
He does his work with his faithful partner,  
Who is ED ROSE, known to us all.  
They do their work in spring, summer, and fall.  
TOM LEMMON has ownership in his father's store,  
They provide much food and then still more.  
DON BURGESS does service to the hospital car,  
His work is best, oh yes! By far.  
The two TERRAZZANOS, DELORES and JOHN,  
Paint beautiful pictures of which we are fond.  
ANNABELLE told of some others she knew.  
And then proceeded to name us a few.  
DON BORK now owns a fifty-foot yacht,  
I wonder how many fish he has caught!  
CYNTHIA HARDY is a fashion designer,  
I'm sure we couldn't find one much finer.

Double, double, toil and trouble:  
The domestic world is this large bubble.  
DORIS JENKINS, NANCY SNYDER, IOLA BURNS, and VIRGINIA VOGLER have taken  
to the domestic life,  
They'll each make a good housewife.  
Cooking and cleaning are their main chores,  
With NANCY OLLIVER they wipe the dishes and wax the floors.

Double, double, toil and trouble:  
The world of business is this busy bubble.  
Approaching Rockefeller Center we see  
Many of our comrades as busy as bees.  
As we enter the main floor  
There's ETHEL KENAH who owns a candy store.  
Over there is BOB MILADIN, an elevator he operates.  
With him we will talk, for with you he co-operates.  
And coming this way with wrench in hand  
Is RONALD OURS, an auto wrecker we understand,  
Who has come to get ANNA MARIE WITHEROW's auto.  
Remember her? She's the public agent for R. K. O.  
VIOLA HALL, ETTA JANE HOGUE, and VIOLA HORNER are at the switchboards,  
With ANN LAMEY there too, they're all pressing cords.  
JO ANN CAPO and DELPHINE ANDINO employed as file clerks  
Show much interest in this work.  
SUE BLINN and CHARLOTTE PALMER are typing away  
With JANE UEBELACKER they do from day to day.  
GERALDINE THOMPSON, ELIZABETH FABYANIC and SHIRLEY BURCHETT will be  
Checking the invoices for quite a large fee.  
In the receiving room we see  
GRACE BEST, NANCY WATSON, and JACKIE CONLEY.

Double, double, toil and trouble:  
The world of everything is our last bubble.  
RONALD BELL we see is quite pleased,  
A drummer he'll be with some ease.  
FRANK BORKOVIC is bound to be sharp  
For a meat cutter he is at heart.  
Then in a spotless kitchen we'll see  
JACK MEIER, a baker he's bound to be.  
It will be a pleasure to get your teeth pulled,  
If it's by SALLY HAMILTON who surely can't be fooled.

MARILYN BARNETT and SARAH WILSON with their ambitions  
 Will help DOROTHY DELO in our Christian missions.  
 JIM MULIK and PAUL KELLY photographers they have become,  
 They say their work is often much fun.  
 WILLIAM BECK in forestry is engaged,  
 He protects wood to help make this stage.  
 MARILYN MURRAY is in college I hear,  
 She honors our school which she loves so dear.  
 JOHN WINICH, JOE ROMANCHAK, and BILL SMITH have not had much strife,  
 For they are very successful in life.  
 KEN ROMBOLD and NORMAN BONZO as farmers can't be beat  
 For they keep on working through the cold or heat.  
 DELORES CLARK now works as an artist,  
 We are sure in her field she's the smartest.  
 ETHEL JOINES and MARGIE DAVIS are buyers for a store,  
 In Gimbels they are seen walking the floor.  
 FRANK BALDERSON, managing a service station,  
 Employs his skill in this occupation.  
 HARRIETT CALHOON is teaching music with her knowledge  
 Acquired at Indiana State Teachers College.  
 PATTY THOMPSON is now setting womens' hair  
 And this she does with lots of care.  
 MARILYN SALAMONE, editor of "The Times,"  
 Expresses her ability along these lines.  
 ROBERT PATSIGA has become a journalist,  
 He writes his columns with great earnestness.  
 RAY TANNEHILL, as a radio announcer he is known,  
 Expressing his talent through the microphone.  
 AUDREY SHEARER, a dancer on television,  
 Shows much grace and precision.  
 PAULINE MARKESS is a Hollywood star,  
 People acclaim her talent from afar.  
 NANCY HARRIS, teaching swimming at the Y. W. C. A.,  
 Enjoys this work day after day.  
 MELVIN RADCLIFFE, a barber is he,  
 Employs his skill for a dollar fifty.  
 On the floor below the sound of typing you'll hear  
 As you enter an office, BETTY ALLEN will appear.  
 JACK KAUFOLD is the one who us did impress  
 For he runs his office with great success.  
 MARILYN BALDERSON and BILLIE HUPP, both checking through the mail  
 Recording each item in detail.  
 MARY ANN JAVENS and DORIS BRAUN are comptometer operators  
 For they fill the positions of expert tabulators.  
 JEAN PASQUALE, one of our prophets is found,  
 And soon for a foreign shore she'll be bound.  
 MARGUERITE HUMMER has become an employee  
 In the Pentagon Building in Washington, D. C.  
 BOB STEIN, our other prophet is he,  
 Is employed by a railroad named "Pennsy."  
  
 Double, double, toil and trouble,  
 Life is but an empty bubble.

—Robert Stein, Jean Pasquale, and Marguerite Hummer

## Class Plays of the Class of '52

Pauline Markess, Bob Stein, Ethel Joines, Margie Davis, Jack Gaido, Cynthia Hardy, Tom Gorgas.

"Yes and No" was the title of our Senior Class production and rightfully so because it pictures what would happen if Jo said "no" when Adrian Marsh proposes to her in the first act. The second act shows what happens if Jo said "yes." The epilogue portrays what really does happen.

Many complications arise, especially concerning Bags and Sally who are supposed to be madly in love. It so happens that Jo falls in love with Bags and Sally, with Adrian. Reverend Jarrow has such a poor memory and Mrs. Jarrow is so excited about her garden party that no one realizes what is really going on. The party turns out to be a huge success and Jo and Sally have successfully solved their troubles by each marrying the one they love.

The cast included:

Margie Davis.....	<i>Sally Jarrow</i>	Ethel Joines.....	<i>Mrs. Jarrow</i>
Jack Gaido.....	<i>Curate Bagshott</i>	Pauline Markess.....	<i>Jo Jarrow</i>
Tom Gorgas.....	<i>Reverend Jarrow</i>	Robert Stein.....	<i>Adrian Marsh</i>
Cynthia Hardy.....	<i>Mrs. Webb</i>		

This play was directed by Miss Ethel Lytle.

The Class of 1953 looks back with pride to their third year of education during which time much was accomplished in sports and school activities. Our major project was the Junior-Senior Prom, and another the Junior Class Play. Mr. Grant, the class advisor, has contributed greatly to the success of this school year.

Listen! There goes the whistle taking us, the class of 1954, from the "shelf" and putting us among the dignified juniors and seniors.

Now that the first quarter is over and we are nearing the close of the half, we may feel proud of ourselves as we look back over the part the Sophomores played in the role of the school life. The athletic teams, the choruses, the different clubs, and the band were bursting with their share of the class of 1954.

A good deal of our success we owe to our teachers, advisors, and coaches, who put us on the "Line of Scrimmage," and are constantly pushing us onward to reach our goal (graduation) with success, friends, and ability before and behind us.

This game has been a fine one moving our class members always out in front but never slackening the pace in the second half, for we have yet many more challenges to face before this glorious competition of high school ends in real victory for our class.

## *Freshman Class*

Come on up, folks! Come on and buy your tickets to the sideshow which takes place during the school year of 1951-52. You have never seen such sights in all your life. On the first day of school you will see the freshmen boys parading before you with lipstick, perfume, and flea powder on them. Not long after that you will see the girls of the Class of '55 decked up in their mothers' dresses, fathers' shoes, and pigtails as they are initiated into the G. A. A.

All kidding aside, folks, the class of 1955 has really shown a lot of talent under the able direction of Miss Heckman. Many are represented in the Band and Choruses. They also took part in athletics.

We are looking forward to next year when we can leave our seats in the balcony, and along with the upper classmen, make fun of the "greenies."

The beautiful and impressive candlelight service of the induction meeting ushered in a season of activities for the Tri-Hi-Y. Interesting programs have always highlighted the monthly meetings.

The Tri-Hi-Y is to be greatly commended for its work in sponsoring the Christmas Formal, the "Santa Claus Ball." Everyone present agreed they had a wonderful time.

Another successful feature was the crowning of the May Queen. The traditional Maypole dance was performed by underclassmen. A splendid program and beautiful decorations made the occasion a memorable one.

The Tri-Hi-Y banquet closed one of the club's most successful years. Miss Shelar and the Cabinet are to be congratulated for an especially active social year.

Various programs sponsored by high school organizations and civic groups of the town saw the girls on hand to show the audience to their seats. The beautifully gowned and neatly dressed young ladies ushered for class plays, concerts, and civic programs. Many complimentary remarks have been expressed on the pleasant way the usherettes have handled the patrons of our programs.

Mrs. Johnson and the club officers deserve our appreciation for contributing to the success of the club this year.

New entrants of the G. A. A. met the old members at the first meeting held in the gym. At the Hallowe'en Party these new members were initiated in various ways.

The traditional ceremony of crowning the football King and Queen was beautifully arranged by the G. A. A. A gift was presented to the Queen by the president of the club.

The exchanging of Yuletide greetings and presents took place at the annual Christmas party which was enjoyed by all.

The G. A. A. was active in such sports as volleyball and basketball. An ice skating party climaxed the winter activities. In the spring, the club sponsored a square dance and roller skating party.

Through the efforts of Miss Barnes and the Cabinet, a most successful year was officially closed at the annual G. A. A. banquet.

An unusually enthusiastic membership enjoyed the activities of the Library Club this year.

Taking charge of the desk, answering reference questions, filing cards, and shelving books are just some of the varied duties of these junior librarians.

Several members participated in the Pennsylvania Week program. Evening meetings planned by the entertainment committee highlighted the social season of the club.

Miss Hamilton is to be commended for her part in directing the work of her library aides.

With a representation from each home room and the presidents of the Hi-Y and the Tri-Hi-Y making up the membership, the Student Council has done a commendable job this year.

The Council is made up of three committees: School Properties, School Spirit, and School Activities Committee.

The Student Council sponsored the Christmas Program which was given before dismissal for Christmas vacation. The School Activities Committee conducted a survey of the extra-curricular activities offered in our high school, with the aim of pointing out the many opportunities to follow special hobbies or interests.

Better than ever! Yes, that is the way we feel about this year's *Crimson and Gold*. Of course, that opinion of the staff members may be slightly prejudiced, but we do feel that the combined efforts of the writers, artists, typists, and mimeographers have produced a very readable paper.

It required a lot of hard work to prepare our seven issues for publication but we enjoyed every minute spent in the *Crimson and Gold* room.

We are proud of the new mimeograph machine which we acquired this year and hope that it will not only improve the appearance of our copy but also lighten the work of the mimeographers.

Give credit where credit is due—so thanks to Mrs. Johnson and her colleagues for helping us get the paper out on time.

## *Science Club*

Jack Peters, Mickey Crawford, Eleanor Carter, Bunny Petuch, Bob Brubaker, Linda Kelvington, President Jack Gaido, Tom Gorgas.

These are the students interested in furthering their knowledge of science. Membership in the Club is open to all who have completed at least one year of science with an average of 80% or better. The Science Club of America, a national organization with which our club is affiliated, sends useful and interesting information to the members.

The highlights of this year's program featured a talk on stars, a series of chemistry and physics experiments, scientific movies, and several dissections.

The club climaxed its year with a party at which Miss Campbell, the sponsor, officially closed the season with an inspiring talk.

"Step right up, folks. Get your program here!" So went the cry of the Hi-Y boys as they sold programs to the fans at the football games. The rousing New Brighton-Beaver Falls pep meeting may be attributed to the same group.

The Hi-Y has been most thoughtful of its school. The new basketball bankboards and the auditorium switchboard have been donated to the school by the club.

The activities of this group have varied from sponsoring a dance to serving a covered dish dinner prepared by the boys themselves. The Hi-Y has also taken an active part in sending members to the Hi-Y Youth Government Convention at Harrisburg. This year's representative was Jim Campbell. Not to be omitted, the Hi-Y basketball team made an excellent showing this year.

The Hi-Y has prospered under the supervision of Mr. Grant.

“Hey! I’m first!” “Wait on me, please.” “I just want some pop.”

This is what the girls and boys of the Senior Stand Committee have to listen to at football games and basketball games. The rest of the school is very thankful that they have given their time and effort to fill our stomachs.

Their other activities were selling name cards to the seniors, sponsoring dances, and making corsages for the Beaver Falls-New Brighton football game.

Of course, the group could not have had such a successful year without the help of their sponsor, Mr. Sheehan.

## Cheerleaders

Joan Anderson Gerry Smieska Marilyn Murray Pauline Markess Bunny Petuch Dolly Cosentino

Ho bo sha wat an gotta wat an gotta sh; ho bo sha wat an gotta wat an gotta sh.

This isn't Greek! This is the language of our cheerleaders who have done so much to lift our morale before the football and basketball games. These hard-working girls have planned the pep meetings, thought up new cheers and songs, and have even painted signs to help decorate the auditorium for the pep meetings. If you have ever wondered who "coaches" the reserve cheerleaders, well it is this group of energetic girls.

Miss Bergan is their able sponsor.

The new stage lighting system offered many challenges to the boys until they learned the new switches and controls. Their able sponsor is Mr. Coene.

## *New Brighton High School Band*

Sound the trumpets! Roll the drums! At the head of the Circus Parade marches our Crimson and Gold Band, directed by Mr. Jack Long. The marching season saw this fine group on the football field, early and late, preparing for their sparkling half-time shows. Dear to the memory of all band members are those wonderful bus rides to the games, the thrill of lining up on the field before the show, and even those practices on a sometimes-muddy and cold field.

Then there were parades. Those were fun, too—even if some of them did start rather late. Remember the crazy costumes we donned to march at Hallowe'en, and how "Sound Off" became our theme song?

When winter came, the Band began working toward its annual Concert. Symphonies, marches, overtures, jazz, and novelty numbers were heard from the band room in bewildering succession. The Band's fine playing in the Spring performance was certainly worth all the hard work.

For the first time, the Band this year elected officers. This innovation will help the group run more smoothly and make it better and better as time goes on.

Like to dance? Or perhaps you would rather just listen. Either way, we think our dance band has become quite successful. After a hard day on the circus lot, or for our special shows such as May Day and Class Plays, what could be nicer than soft music in dance tempo the way this group plays it?

## Hungry Five

Hey! Where is everybody rushing? Look at the crowd gathering! Why all the excitement?

Haven't you heard? The Hungry Five is performing under the big top. Wonderful music, witty jokes, more gorgeous music—words just can't describe it!

This fine group of troupers, more than sixty in all, certainly deserves top billing. Outstanding acts this year were the presentation of Handel's "Messiah" at Christmas time and the singing in the Big Show, "the Spring Concert." Our warblers also added their talents to various programs during the school year, enjoyed their annual Christmas caroling and provided music for the last performance of our four-year stars—Graduation. The lady with the baton, Miss Snow, kept the show going on splendidly, assisted at the calliope by Marilyn Murray and Harriett Calhoon.

Now, ladies and gentlemen, direct your gaze to the center of our circus arena! There in the spotlight is the Angelic Aggregation—also known as the Girls' Chorus. The girls deserve much applause for their sweet singing which is a result of much rehearsing. The troupe is well accompanied by Wini Alice Orr.

## *Varsity Season*

The Lions opened the grid season with Hopewell, a Class B team, and defeated them 26-0. Fred Leaf passed to Bill Beck for the school's first score. Then climaxing a sustained drive, Leaf plunged over from the three yard line. Tito Francona, with perfectly timed interception, galloped into the end zone untouched. Alert lineman Ray Tannehill climaxed the scoring by falling on a pass from center, which sailed over the Hopewell back's head and into the end zone.

Brighton travelled to West Allegheny for their first Class A test in 1951. Five plays after the opening kickoff, fullback Joe Dwyer carried the ball 28 yards for the score. Dwyer and Leaf

scored one each in the second and third quarters from one yard out. However, New Brighton's class and power was not to be revealed yet, as they beat West Allegheny 21-6.

One of the most thrilling and significant victories was scored by a fighting Lion team, upsetting Ambridge 25-21. Tito Francona started things rolling with a TD from the four yard line and later in the second quarter he tossed a TD pass to end Bill Beck. Cory scored for Ambridge on a 50 yard run, but the Lions marched back 70 yards, with Francona taking it over from the fourteen and later intercepting a Bridger pitchout on the New Brighton sixteen, he raced 84 yards for the final New Brighton touchdown. After that the Bridgers fought back with Bombian and Ciper scoring TDs. Although suffering several injuries, the Lions hung on with more fight and courage and came out victorious.

Suffering a temporary let-down, the Lions were trailing Rochester 6-2 at the end of the third quarter. But Leaf, who had been injured the week before, came from the bench and scored twice to stun Rochester 15-6.

The Lions rolled over Beaver 40-14, and rung up 20 first downs to one for Beaver. Leaf started it off by scoring from the five yard line and then Tito scored 26 points on 13, 1, 79, and 3 yard runs. Late in the game the reserves took over and Sam Sheffield scored the final TD from the one yard line.

German Township proved to be the toughest Class A battle for the Crimson and Gold team. Dwyer and Leaf after a scoreless first half, tallied one TD apiece. The strong New Brighton line held German Township to a net rushing yardage of 33.

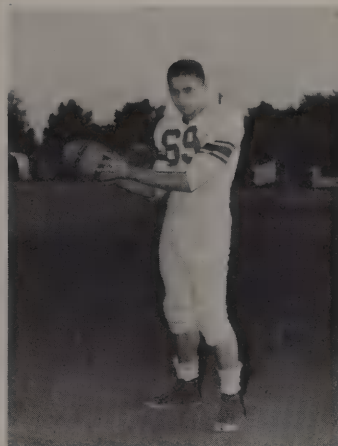

The single winglers from New Brighton outclassed Ford City 40-0, with Tito again scoring three TDs from the 4, 7, and 30 yard stripes. Dwyer, Leaf, and reserve Jim Kairis also added TDs.

The real test for New Brighton was Midland who held the Lions to a 7-7 tie at the end of the half. But in all ball games a second half must be played, and then Leaf scored twice and Snowberger once. Those with Tito's one in the first half gave the Lions a decisive 27-7 count.

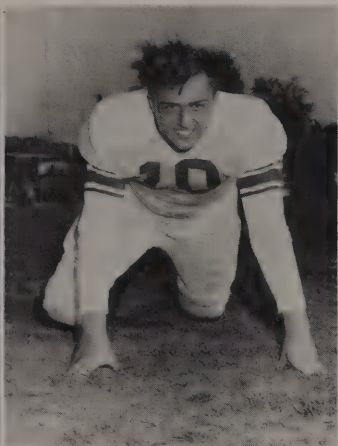

Brighton easily topped Monaca 32-13, assuring them of a Class A playoff bid. Leaf, scoring

four times, ran wild against Monaca. Francona added one TD as New Brighton gained 292 yards on the ground. This marked Brighton's 17th game without defeat since Ambridge in the '50 season.

The pressure in New Brighton finally gave way as an inspired Beaver Falls eleven broke New Brighton's streak at muddy Reeves Stadium 16-6. The Beaver Falls line held the strong offense of New Brighton but Dwyer made it a battle by scoring the lone TD for the Crimson and Gold. The passing of little Jerry Haney proved to be the margin of victory for the Tigers.

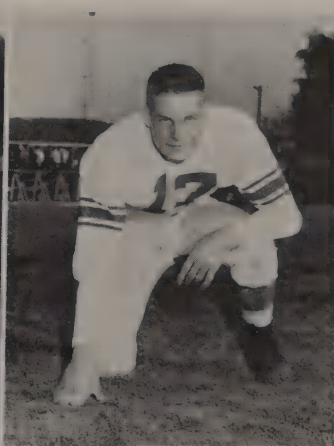

Don Snowberger

Frank Chufe

Ron Anderson

Dick Beegle

At the neutral Dormont field New Brighton reached its peak of the season, and of New Brighton High School football teams through the years, by out-classing, out-scoring the fighting Ramsey team 33-0. Signal-caller Kenny Majors finally came into his own with a 72 yard screen pass TD and a 69 yard punt return. Leaf and Dwyer came through as usual with each scoring two touchdowns. Tito made three out of the five extra points.

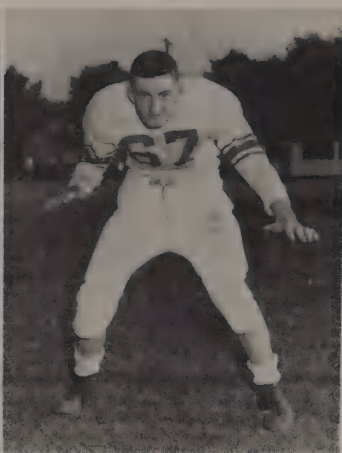

Brighton finished up the season, a well-coached, smooth-running ball team. They made Beaver County history by winning the W. P. I. A. L. crown two years in succession. It was the first time a New Brighton team received the Geneva Cup, and also the first time since 1937 that

they have been Beaver County Champs. Tito Francona and Frankie Chufe made first team all W. P. I. A. L., with Don Snowberger and Fred Leaf getting honorable mention. Francona also received honorable mention on the All State Squad. Francona also led the county with the greatest number of points scored, 99 in all. Leaf was second with a total of 78. The success of the team was shown by the spirit of the student body, so hats off to the 1951 Champs.

## Coaches

Head Coach Buzard kept up his record of not losing a Class A game in his last five years of high school ball. Mr. Corll, our new addition to the staff, aided Coach Buzard at all games while Mr. Franco and Mr. Croft, other than coaching the Junior High team and the Reserves, were spotting the teams to be played during the season. Along with our Championship Team we had a Championship Coaching Staff.

# *Varsity Basketball*

The New Brighton Lions, defending Section IX Champs of '51, failed to live up to their previous record. However, they did succeed in winning ten of the seventeen games played. At the end of the season New Brighton was tied with Monaca for third place.

New Brighton opened the 1951-1952 basketball season on our court by dropping a close 55-60 contest at the hands of a taller Dormont squad. Tito Francona led the scoring with 18 points.

The Lions tasted their first victory at Ellwood City by the score of 37-34. Tito again came through to score 13 markers.

New Brighton defeated our cross-the-river rivals, Beaver Falls, in a thrilling game on our floor 50-49. Once again Francona was high-point man, having 16 tallies.

New Brighton lost a high scoring game at Avalon 63-71. In this game, Abbie Preston claimed the honors, scoring 19 points.

The Millermen dropped a return engagement at Beaver Falls 41-45. Ray Tannehill chalked up 13 points.

The Lions ended their non-league season by trouncing Leetsdale on our court 63-41. For a second time Tannehill was high scorer having 22 points.

The defending champs opened the league season on our floor on the long end of a 46-42 overtime verdict over Monaca. Again Tannehill led the scoring with 15 points.

Hopewell was our next victim at their floor being trounced 59-24. Tito Francona made 16 of those 59 points.

Midland gave us our first league defeat by beating us on our floor 48-55. It was not unusual to see Tito Francona make 16 markers.

The Lions were nipped at Freedom 66-67. New Brighton's scoring was led by Tito Francona with 22 points.

Beaver dealt us our third straight league loss on our floor 51-58. For a second time Abbie Preston led the scoring with 16 points.

The Lions broke their losing streak on the home court by downing Rochester 60-43. Once more Abbie was high point man with 19 markers.

Monaca defeated us in our return match at the Monaca gym 51-60. Abbie Preston led the scoring with 17 points.

After a slow start the Millermen started to hit and ended up by defeating Hopewell on the home court 67-39. Ray Tannehill had a good night from the field and countered 19 markers.

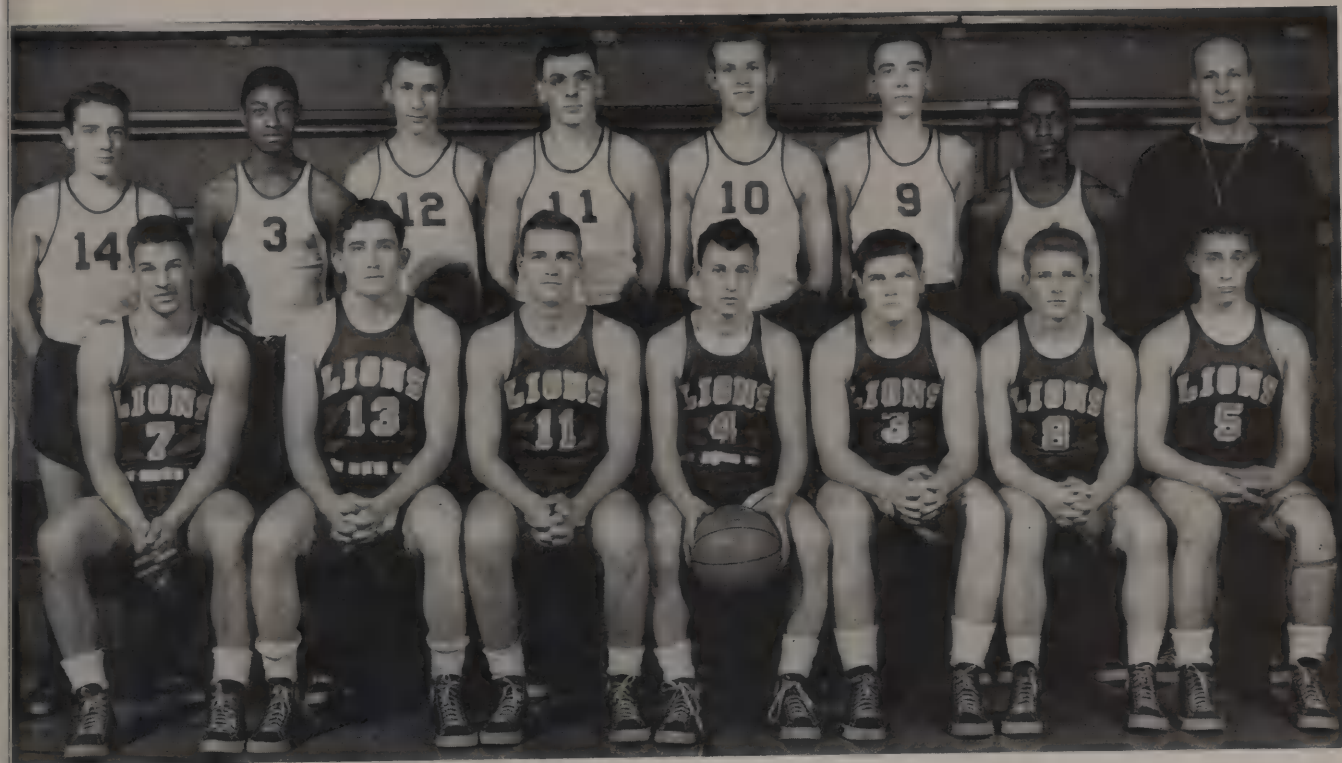

The Lions journeyed to Midland and upset an undefeated Leopard squad 55-54. The Lion scoring was led by Ray Tannehill with 17.

The Brighton squad defeated the Freedom Bulldog squad on our floor 55-50. Ray Tannehill scored 25 points, the highest number of points scored in any one game by a Brighton player this season.

Beaver dealt us our worst defeat of the year on the Bobcats floor 51-76. For his seventh time Ray was high-point man having 16 points.

The Lions roared back after trailing at halftime to defeat a determined Rochester squad. Final score was 68-56 in favor of the Lions. Abbie Preston split the cords for 22 points.

# School Calendar

September is a month of joys  
For all the little girls and boys.

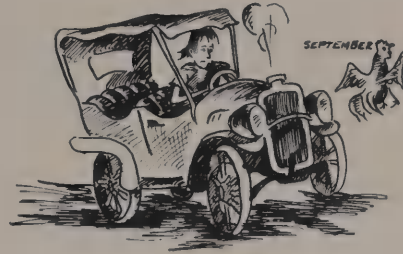

On the 4th we heard a call,  
"Come to school one and all."

September 7th Hopewell came,  
We sent them back very tame.

On the 14th we went away  
To West Allegheny, and came back gay.

On the 21st we stayed at home.  
Ambridge came. Did you hear them moan!

We beat Ambridge. I'm so glad.  
No school the 24th, you don't seem sad.  
We played Rochester September *twenty-eight*;  
I'll bet they wish we hadn't kept that date!

October was a month that was thrilling.  
And our boys had some pretty good billing.  
October 4th Beaver we beat.  
Midwestern Convention on the 5th did meet.  
October 12th German Township lost, too bad.  
We haven't lost yet, aren't you glad?  
On October 16th did you find it hard,  
To refrain from playing checkers on your report card?  
October 19th came dear old Ford City,  
Tsk, Tsk, we won again. Isn't it a pity?  
We vanquished Midland on October 26th.  
November 2nd Monaca was fixed.

We went to Beaver Falls on November *nine*.  
And everything stood still but time.  
That was the first game that we lost.  
The Little Brown Jug was the great cost.  
November 12th we had a free day,  
Away we went, happy and gay.  
November 17th to Ramsey they said we'd lose.  
33-0, we aren't singing the blues.  
We must take time out from the fun  
And congratulate the Brighton Champs of '51.  
No school on November *twenty-second* and *third*.  
We all went home to eat the Thanksgiving bird.  
The Senior Class Play, we must remember,  
Was given on the 30th of November.

# School Calendar

December brought a lot of chills  
 And many great basketball thrills.  
 On the 4th it was Dormont, Ellwood City the 7th,  
 Next we played Beaver Falls on the 11th.  
 December 14th Coraopolis. Who was nervous?  
 On the 16th we gave our Christmas Vesper Service.  
 Christmas is coming, hurrahs, hurrays!  
 We are going to have a few free days.  
 On the 21st at 2:30 vacation was in sight,  
 The Christmas formal we had that night.  
 Leetsdale we played during vacation—  
 Our team received all the ovation.

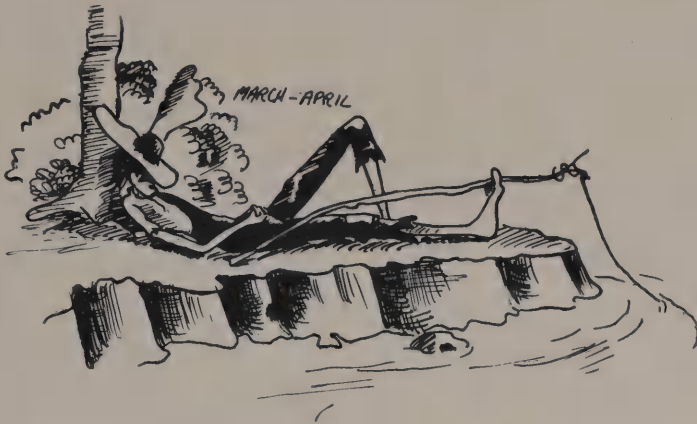

The school doors opened on January *second*.  
 All the books and teachers beckoned.  
 We played Monaca January 4th.  
 On the 8th we played Hopewell, way up North.  
 On January 11th Midland was played,  
 And then came two important days.  
 On January 17th and 18th too,  
 All the exams we did do.  
 On the 18th we went away,  
 We played Freedom that day.  
 The semester started January *twenty-two*.  
 New books to read, more work to do.  
 On the 22nd we played Beaver,  
 For Rochester we were eager.

February, with one extra day,  
 Meant May was one day farther away.  
 February 1st we played Hopewell;  
 Midland on February *five*.  
 The school's as busy as a beehive.  
 Freedom was played February 12th;  
 Beaver Falls, February 15th.  
 Our last scheduled game with Rochester on the 19th.  
 The Junior Class was very brave,  
 And on the 29th their class play they gave.

# School Calendar

On March 4th reports came out,  
Producing some inter-family bouts.  
On the 14th the band was spotlighted.  
On the 21st by the chorus we were delighted.

The Sophomore Class opened their doors,  
And gave their class play April four.  
Easter is coming, the Easter bunny too!  
And if you're good, he'll come to you.  
On April 17th and 18th the exams we tried to pass.  
The Junior-Senior Prom for the Seniors was the last.  
The 25th was the date,  
We hope you all had a mate.

The gym exhibition did you say?  
Yes, on Thursday, the 1st of May.  
The Senior Class Play was very fine,  
It was given on May nine.  
How did you Seniors feel after the exams on the 12th and 13th?  
Different from when you departed on the 16th?  
On the 26th and 27th some underclassmen took exams again,  
Probably thought they would sink, rather than swim.  
Class Night was held on the 16th of May,  
Baccalaureate on the 18th, Sunday.  
The next day we ate, and ate, and ate.  
The Senior Banquet, the 19th was the date.  
The school doors close, and we are gone—  
Goodbye, good luck, and carry on.

Dear Beverly (Suezy)!

Loads and bunches of love and stuff to a real darling gal.

Remember all the fun we've had in band and in school with water guns and just acting "crazy".

Always stay as sweet and as well as you are now.

I can hardly wait until Grand assembly. We'll have a wonderful time (at the date bureau) We'll have to get into lots of trouble. Of course we'll come home with first prize with your wonderful directing. (We bet!!)

Remember the time we had the ammonia (ape) at the football field and all the fun we had trying to make each other pass out. I almost did too. Remember how scared you were. Boy that was funny!

Keep beating that drum, pretty soon you'll put a whale through it.

Keep kicking kid and keep that permanent smile.

Love, Henry

I'll add a P.S. when I get inspired again

Beverly I wish you all the luck in the world and sing the "Lord's Prayer" for you, cause I'll be listening and praying for you.
